

## Serenity of The Woodlands

### July 19, 2021 Group Conscience Meeting – Serenity Online Team (SOT) Update

#### Meeting Schedule & Attendance

- Continued reduction in # of Online meetings per week due to lack of chairs (June - 20, July - 16).
- Average attendance is 30 per meeting as of July 18.

Note: Data is based on # of Zoom meeting logons. Includes AA meetings only (GC, Birthday, Training etc. excluded). Avg. all Mos includes some rounding (Avg. of averages).

#### Carryover items from June and May GC Meetings (ran out of time to discuss)

- Transition to secured meetings with no access in between meetings planned for end of Summer.
- External websites with Serenity info are being updated with the meetings page link.
- Co-Hosting requires 3 months continuous sobriety and Co-Hosts handle only security and administrative tasks for online meetings. Hosting / Chairing will continue to require 6 months continuous sobriety.
- Bulletin board and chair announcement in the room with general information about Serenity Online meetings
- Monday 7pm weekly Zoom meeting now overlaps once per month with the GC Meeting. Serenity has 1 Zoom license so cannot have 2 online meetings active at the same time.
- Some options for consideration...
  - GC meeting In-Room only with no online / hybrid option. GC is open for all to attend in person as it is now.
  - Change GC meeting to another day and time and continue with hybrid meetings from the room.
  - Change GC meeting to another day and time and to Online format only (no Hybrid).
  - Cancel Monday 7pm Zoom meeting once per month when it overlaps with GC (similar to Birthday night). Continue with hybrid GC meetings from the room.
  - Get 1 more Zoom license (\$15 per month) so 2 online meetings can be active at the same time. Continue with hybrid GC meetings from the room and with the Monday 7pm weekly online meeting.
  - Other options or ideas...?

#### New Business

- Serenity Online Group Conscience meetings
  - Current GC meetings do not leave adequate time to discuss issues specific to online meetings.
  - Online GC meetings are to discuss and decide on relevant issues that don't impact in-room meetings.
  - Online GC meetings will be held the week before In-Room GC meetings with outcomes included in the regular SOT GC update.
  - SOT will be hosting the Online GC meetings starting in August 2021.
- General discussion is needed about whether Serenity is interested in continuing with an Online presence.
